TRIGUN
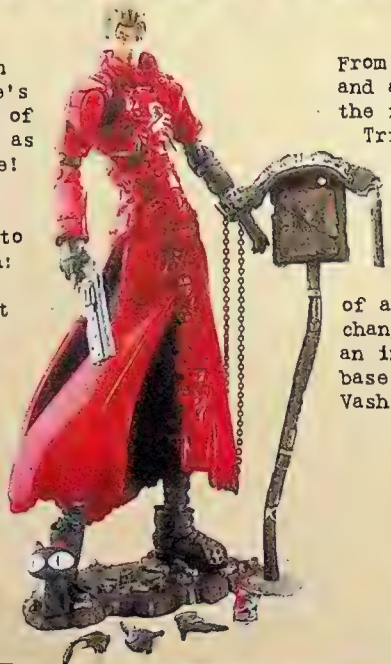
THE PLANET GUNSMOKE

VASH THE STAMPEDE
ACTION FIGURE

WANTED

On a desert planet in another galaxy, there's a bounty on the head of the gunslinger known as Vash the Stampede! But, as legend tells it, only two things happen to those who find Vash: they either crawl away from the fight with (mostly self-inflicted) wounds, or they stagger away in a daze-wondering how an idiot like Vash could possibly be the man they're looking for!



From the red hot manga and anime series, comes the first in a series of Trigun action figures! Expertly designed by Trigun creator, Yasuhiro Nightow, the Vash figure features 22 points of articulation, interchangeable hands, and an incredibly detailed base complete with Vash wanted poster!
